

Introduction

OVER FIVE YEARS before the Twin Towers were destroyed, 230 men, women and children perished when TWA Flight 800 went down off the coast of Long Island, New York, on July 17, 1996. After a \$43 million investigation, the Federal Bureau of Investigation (FBI) and the National Transportation Safety Board (NTSB) concluded that the crash was initiated by an explosion of fuel in the plane's center tank.

In 1998, Admiral Thomas H. Moorer, USN Ret., issued an ominous mailing to the American people. The former Naval aviator and *chairman of the Joint Chiefs of Staff* expressed his concern over

a great deal of important evidence bearing on the crash that apparently has not been given the attention that it deserves by either the official investigators or the news media. The most obvious and inexplicable example is the evidence provided by **183 eyewitnesses interviewed by the FBI who saw a streak of light heading toward the plane immediately before the explosion.**¹

While conducting a revival meeting in Texas in January 2002, I shared this amazing letter with the congregation. The following evening a church member returned and asked to speak with me about the matter. After introducing himself, the man stated that he was a graduate of the Air Force Academy and had worked in Air Force Intelligence for eighteen years, attaining the rank of major, before transferring to inactive status. To my amazement, he gave me a copy of a highly technical, non-classified, 126-page dossier by another retired Naval officer. The cover sheet read:

and the
Actions of the NTSB and the FBI

Among other things, Commander Donaldson took issue with the Central Intelligence Agency (CIA) over a video they produced in a desperate attempt to discredit the numerous eyewitnesses who testified that a missile destroyed the ill-fated airliner.

Defying the laws of physics, aerodynamics, and jet engine mechanics, the video has the aircraft center wing tank mysteriously exploding, the plane flying along for awhile as the explosion sound makes its way toward shore. The nose falls off and the plane climbs vertically 3,000 feet trailing fire just in time for observers ashore to hear the sound and look seaward to observe a large, slow moving, Boeing 747 morph into a streaking anti-aircraft missile!

It would be easy to understand why 10 year olds watching this cartoon on Saturday morning would believe it on face value, but it is perplexing to think network news producers, who are responsible for providing national news, would be suckered without checking the facts first.²

Commander Donaldson, a career military man, labeled the present time as “perplexing.” The King James translators chose a more profound word when rendering the prophetic truth in II Timothy 3:1, “*This know also, that in the last days **perilous** times shall come.*”

INTRODUCTION

Four of the thirty-four conclusions contained in the commander's report are as follows:

4. TWA Flight 800 was destroyed by an airbursting anti-aircraft missile.
6. The preponderance of evidence strongly points to a hostile attack by enemies of the United States.
32. Officials in the White House, Justice Department and the NTSB appear to be withholding information from the American people and the United States Congress that protects the identity and motives of those who attacked TWA FL800.
34. Based on the fact that TWA Flight 800 was the likely target of a State Sponsored terrorist attack, which is an Act of War, and the fact that the Administration has covered up this act for political expediency prior to the 1996 election, the Congress should do one or more of the following:
 - a. Hold Congressional Hearings into the cause of the crash of TWA Flight 800.
 - b. Request the Justice Department appoint an Independent Counsel to investigate.³

The passage in II Timothy 3 also explains why it will be perfectly normal for national leaders to mislead the American people in the closing days of the Church Age. Verse four lists "traitors" as one of the signs of the times.

However, there is another cultural phenomenon that is more dangerous than intentional governmental deception. You might call it *intentional citizen stupidity*. On page 9-A of *USA Today* for September 19, 2002, the following headline appeared in bold, inch-high letters—"Warnings not passed down, 9/11 inquiry says."

Highlights from the declassified intelligence report include:

June 1998: Intelligence officials learned from several sources that Osama bin Laden was considering attacks in the USA, including Washington, D.C., and New York.

August 1998: Officials learned that a group of unidentified Arabs planned to fly an explosive-laden plane from a foreign country into the World Trade Center.

July 2001: A person returning from Afghanistan told the CIA, "Everyone is talking about an impending attack."⁴

HOW SATAN TURNED AMERICA AGAINST GOD

(This unprecedented negligence within the intelligence community would be substantiated during the 2004 9/11 Commission hearings, particularly with regard to the critical President's Daily Brief, or PDB, of August 6, 2001.)

Do you suppose that such an alarming revelation in "the nation's newspaper" provoked an outcry from the public sector? *Are you kidding?* The average American today is too busy watching Ozzie Osbourne and Jerry Springer to be distracted by matters of national security, etc. Just as Europe entered the Dark Ages when the text of the King James Bible was abandoned and later emerged with Erasmus and the A.V. 1611, America is presently experiencing her own benighted demise for the identical reason.

An appropriate Scripture to explain this end-day "space cadet" mentality is given in II Thessalonians 2:11, "*And for this cause God shall send them strong delusion, that they should believe a lie.*" Our passage in II Timothy 3, adds in verse 13, "*But evil men and seducers shall wax worse and worse, deceiving, and being deceived.*"

Now, it is one thing to be dense concerning the threatening agenda of those who manipulate various segments of our government, but it is quite another to be unaware of imminent judgment from God Himself! Do you know that America is currently engaged in a sin far more threatening than abortion? Consider the words of the prophet Zechariah:

*And in that day will I make Jerusalem a burdensome stone for all people: all that burden themselves with it shall be cut in pieces, though all the people of the earth be gathered together against it. . . . **And it shall come to pass in that day, that I will seek to destroy all the nations that come against Jerusalem.*** (Zechariah 12:3,9)

Has anyone noticed that our celebrated "War on Terrorism" has *never* applied to the non-stop murders of defenseless Israeli citizens by the treacherous Palestinian Authority? I assure you that the God of Israel is up to speed on the hypocritical situation. Whatever happened to that providential bond between Israel and America? Is it mere coincidence that the center letters in the name "Jerusalem" just happen to be "USA"? Appropriately enough, conclusion number eight in Commander Donaldson's report confirms:

8. The United States was warned by Israeli intelligence of a terrorist risk to TWA FL800 prior to the event.⁵

INTRODUCTION

But can we really expect the secular leaders of America to rise any higher than the so-called point men of evangelical Christianity? Whereas conspiracy author Texe Marrs believes that Monica Lewinsky was a “servant of the Israeli Mossad spy agency,”⁶ prophecy “expert” Jack Van Impe, media “missionary” Jerry Falwell and Christian “psychologist” James Dobson all speak positively about Israel while simultaneously praising her traditional nemesis—the pope! The rank and file within the hodge-podge of Laodicean apostasy (including what is left of the Independent Baptist movement) have chosen to look the other way as well. Although “Brother” Bush has twice ridden into the White House on a wave of euphoric adulation from his “Christian coalition,” he and his State Department have since conspired to extinguish God’s “*burning bush!*”

As this book was going to press, the world was being assured that a “Road Map to Peace” would stabilize the Middle East by 2005. One would certainly have to admit that the collective “wisdom” displayed by the U.S.A., U.N. and Vatican State was practically supernatural. For Israel’s willingness to “merely” give up the West Bank and East Jerusalem, the rest of us could finally realize that elusive dream—“*on earth peace, good will toward men*” (Luke 2:14).

However, there is one small problem with this proposition; *Jesus Christ is planning to ride through the Eastern Gate in the immediate future to establish Jerusalem as the capital of His universe.* Therefore, it must remain closed until He appears.

Then he brought me back the way of the gate of the outward sanctuary which looketh toward the east; and it was shut.

*Then said the LORD unto me; This gate shall be shut, it shall not be opened, and **no man** shall enter in by it; because the LORD, the God of Israel, hath entered in by it, therefore it shall be shut.*

It is for the prince; the prince, he shall sit in it to eat bread before the LORD; he shall enter by the way of the porch of that gate, and shall go out by the way of the same. (Ezekiel 44:1-3)

You see, unbeknownst to those 183 ambassadors in the U.N., the land in question actually belongs to God and He doesn’t appear open to the idea of subdividing.

HOW SATAN TURNED AMERICA AGAINST GOD

*I will also gather all nations, and will bring them down into the valley of Jehoshaphat, and will plead with them there for my people and for my heritage Israel, whom they have scattered among the nations, **and parted my land.*** (Joel 3:2)

This book deals with *negative reality* (“How Satan Turned America Against God”) as opposed to *positive fantasy* (“God Bless America”; “revival is just around the corner,” etc.). Consequently, it will not be carried in the average “Christian” bookstore. It reveals America’s main purpose for existence, her tragic repudiation of that role and how the process was orchestrated by Satan. The United States is about to commit national suicide for daring to move against the nation of Israel. The so-called “Road Map to Peace” will end in “*sudden destruction*” (I Thessalonians 5:3), for an “*understanding of the times*” has always been for one purpose—“*to know what Israel ought to do*” (I Chronicles 12:32).
